Each person who holds a certificate from this Board must complete continuing education during the 3-year certificate renewal period to qualify for certificate renewal. Training sponsors can help certificate holders verify that this requirement has been met by ensuring that acceptable proof of training completion, such as a certificate of completion, or a training card that has been by the instructor or training sponsor, is available to those who complete training.

Please note that each certificate holder is responsible for maintaining records of training completed and submitting this information to the Board as part of the application for certificate renewal. This information should not be sent to the Board at any other time.

Sincerely,

E. Lee Haskins
Board Secretary
