SUBJECT: Education and Training Program Course Renewal Approval

Your recent Education and Training Programs Drinking Water CEC Renewal Application submission has been approved for drinking water continuing education credits as follows:

Program Name:	How to Perform total Coliform Analytical Test for Drinking Water Quality		
Course Code:	1849		
Course CECs:	0.1-Technical	0-Managerial	0-Other
Expiration Date:	12/31/2021		

Continuing Education Credit is based on "contact hours" and only those individuals meeting the attendance requirement may be awarded credit for this training program. **It is your responsibility to monitor and verify full attendance at each program segment in an acceptable manner.** Please visit the Operator Training and Certification Web site, <http://www.michigan.gov/deqoperatortraining>, to download a copy of the "Participant Roster for Drinking Water." It is permissible to repeat this training as often as you wish.

A certificate must be provided to each individual that successfully completes the program. The certificate must contain the following information:

1. Name of participant
2. Name of sponsoring organization
3. Program name and Michigan Department of Environmental Quality (MDEQ) Course Code
4. Course category and CECs granted
5. Course end date

Please note that presentations included in approved training programs must be of a non-proprietary nature. If you have any questions or concerns, please contact Ms. Brianna Moore, Environmental Quality Analyst, Operator Training and Certification Program, Technical Support Unit, Drinking Water and Municipal Assistance Division (DWMAD), at 517-284-5426; mooreb15@michigan.gov; or MDEQ-DWMAD, P.O.
