TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

August 8, 2017

Ms. Monica Simpson, Business Administrator
360 Water, Inc.
965 West Third Avenue
Columbus, Ohio 43212-3109

Re: **360 Water, Inc.**
Change in Online Training Course Codes

Dear Monica:

This notice of reapproval is to inform you of a change in the course codes used for several online training courses that you provide. Currently, all of these courses use the same three generic codes of 0965, 0966, and 0967. These three course codes will be discontinued at the end of August and each course is assigned a new, unique course code. This change is in response to 30 TAC §30.28 (p) (1) which states that: "The following types of training will not be approved or awarded training credit: distance training or webinars that are repeated during the renewal period;"

Attached is a table that includes each affected online course with its corresponding old and new course codes. Also included in the table is the number of credit hours approved for each course and the program credit the course is approved for.

Update these course codes before the end of August in order to maintain approval of these training courses and send us notification that these changes have been made.

If you have questions or concerns, you may contact me by email at sarita.nazareth@tceq.texas.gov or at 512-239-6189.

Sincerely,

A handwritten signature in black ink that reads "Sarita Nazareth".

Sarita Nazareth, Training Analyst
Occupational Licensing MC-178
Permitting and Registration Division
